August 9, 2010 marks the 15-year anniversary of legendary musician and Grateful Dead co-founder **Jerry Garcia's** death. As a way to honor his musical and community legacy, the gifted musicians on this compilation have generously contributed stirring live performances of Jerry Garcia songs to benefit the Rex Foundation. Available August 10 in a variety of formats (see below), ***Jerry Jams for Rex*** was brought to life by Brad Serling of [nugs.net](http://nugs.net) and includes four exclusive previously unreleased live Garcia songs from **Phish, Bruce Hornsby & The Noisemakers, The String Cheese Incident, and Keller & The Keels**. Other artists featured on the album include **The Black Crowes, Yonder Mountain String Band** and more. All proceeds are a contribution to the Rex Foundation.

Furthering what Jerry Garcia and the Grateful Dead started 26 years ago, the Rex Foundation, a non-profit charitable organization, endeavors to fund grassroots programs that are often under the radar of larger funding entities, yet work in bold, innovative ways to carry out essential work toward a healthy environment, promotion of the arts, protection of indigenous cultures, assisting others less fortunate, building strong communities, and educating children and adults. The Rex Foundation has distributed \$8.6 million in grants to over 1,000 programs across the U.S. and internationally, while also carrying out fundraising initiatives that foster creativity and positive community connections. Visit [www.rexfoundation.org](http://www.rexfoundation.org) for a complete list of grantees and information about current initiatives.

*Jerry Jams for Rex* is possible because of the honorable contributions of music, resources and know-how of the participating artists and people involved in the initiative. The Rex Foundation extends its heartfelt thanks and appreciation for the generosity of spirit and action of all the people involved in creating *Jerry Jams for Rex*, as well as to all the people who purchase the compilation. Together, we honor Jerry Garcia and demonstrate the positive power of music and community spirit.
